

Side Table or Corner Junction 30" W X 30" D PN 60089

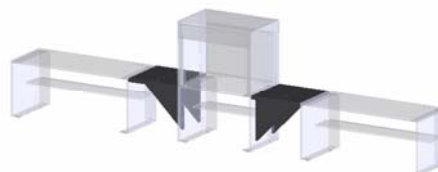

SIDE TABLE
PART# 60089

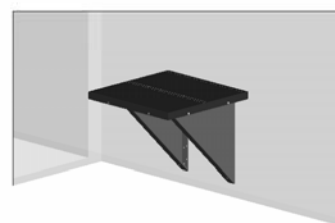

SIDE TABLE

CORNER JUNCTION

LINEAR JUNCTION

WALL MOUNT

Product Specifications:

- Easily attaches to the side of any free standing Enclosure or Work Table to add a 30” Square Side Table.
- Can also be used as a corner junction to connect two or more Enclosures or Work Tables together.
- The Side table can stand alone and be attached directly to any wall.
- The table top is made of heavy 16 gauge stainless steel with welded corners and can support up to 200 lbs. This is a heavy duty assembly that features two galvanized interior support beams and two large mounting brackets.
- Each of the sides of the Side Table has threaded inserts that make it easy to create connections between two or more
- Enclosures or Work Table. When used as corner junction between Enclosures and Work Tables; the Side Table makes designing structured work spaces easy.

Engineering Drawing Reference Notes

To view and manipulate 3D models of any assembly; visit www.edrawingsviewer.com and download the free eDrawings viewer software, then open the eDrawing format files (.EASM) found in our Engineering Drawings folders.

For more product dimensional specifications; download the Engineering Drawings folder for files in DWG, PDF and EASM formats on our website from the tool bar on the individual product pages or from our Product Resources page.

User Manual Reference

Refer to manual 10010703-UM for assembly and installation instructions

User manuals are available for download in PDF format on our website from the tool bar on the individual product pages or from our Product Resources page.
