Wall Mount Kits for 45" and 72" Enclosures PN's 60086, 60087

45" and 72" Enclosures supported by Enclosure Wall Mount Kits.

Wall Mount Kits for 45" and 72" Enclosures PN's 60086, 60087

Product Specifications:

- Allows any *MOE* Enclosure or a *Work Table* top assembly to be mounted directly to a wall without touching the floor.
- The wall mount brackets attach to the bottom of any *MOE* enclosure or *Work Table* to raise them to the desk height of 30" or higher if needed.
- Includes a pair of left and right wall mounting brackets made of heavy duty 12 gauge galvanized steel.
- Includes one shelf assembly with a galvanized steel top.
- The shelf attaches between the left and right wall mount brackets with the included hardware kit.
- The back section where the brackets meet the wall has been pre punched with a series of holes to make simple to attach the wall mount brackets to studs inside the wall that are spaced at 16" on center.
- To Order this assembly use the following part numbers
 - 60086 - for 45" *Enclosure Wall Mount Kit*
 - 60087 - for 72" *Enclosure Wall Mount Kit*

Engineering Drawing Reference Notes

To view and manipulate 3D models of any assembly; visit www.edrawingsviewer.com and download the free eDrawings viewer software, then open the eDrawing format files (.EASM) found in our *Engineering Drawings* folders.

For more product dimensional specifications; download the *Engineering Drawings* folder for files in DWG, PDF and EASM formats on our website from the tool bar on the individual product pages or from our *Product Resources* page.

User Manual Reference

Refer to manual 10010703-UM for assembly and installation instructions

User Manuals are available for download in PDF format on our website from the tool bar on the individual product pages or from our *Product Resources* page.
