Shelf Edge Mount with a short arm, and a VESA screen pan and tilt head PN 80125

80125 shown with an IBM 4838-310 touch screen monitor installed. All mounting systems are also available for NON VESA compatible screens.

Shelf Edge Mount with a short arm, and a VESA screen pan and tilt head PN 80125

PN 80125 with a 75/100mm VESA pan and tilt head shown. Also shown with an IBM 4838-310 touch screen terminal installed. All assemblies with NON VESA compatible pan and tilt heads will appear differently.

PRODUCT SPECIFICATIONS

- Attaches to a shelf or any flat horizontal surface edge.
- The assembly supports touch screens, terminals or flat panel monitors up to 20".
- The VESA pan and tilt head adjusts without tools to lock the screen at any position, side to side, or up and down allowing for a wide range of screen locations.
- The position of the pan and tilt head can also be locked more securely for the long term by tightening locking screws on the pan and tilt head with a Phillips screw driver.
- Each arm supports up to 15 lbs.
- Most of our modular mounting systems can be easily reconfigured in the field for a different application by either adding or removing a few parts to create a support solution for any mounting location.
- For assembly instructions see the user manual which can be downloaded from the *Product Resources* page on our website.
- To order this assembly use part number 80125.
- Available with pan and tilt heads to support all VESA and NON VESA compatible touch screens, terminals or flat panel monitors. Refer to the *Custom Fit Pan and Tilt Heads* page on our website found in the *Other Products* section for the most current list of options. If the website doesn't show a suffix that represents your compatible pan and tilt head then send us a sample of your screen and we'll create a *Custom Fit* solution for you.

Shelf Edge Mount with a short arm, and a VESA screen pan and tilt head PN 80125

MOUNTING OPTIONS:

- All of our screen pan ant tilt heads can be used with any of the following mounting systems.
