

All in One Drawer Set with Work Surface- Pull out Work Surface, 1 Half Size Drawer, 2 File Drawers

PN 60064

ALL IN ONE DRAWER SET
PULL OUT WORK SURFACE 1 HALF
DRAWER AND 2 FILE DRAWERS
PART# 60064

Product Specifications:

- A Set of multiple drawers that installs directly to pre punched mounting locations below the left and right or center of any MOE enclosure desk top, Work Table.
- When used on a 72" wide enclosure or Work Table the All in One Drawer frame can be mounted under the middle of the table top to create a 26" wide space for chairs on each side.
- The "All in One Drawer Set" includes a Pull Out Work Surface and a Drawer Set Combo frame that has 2 full sized file drawers and one half sized drawer housed in a single frame.
- The Work Surface is in the top most position and has a thick 16 gauge stainless steel top that is reinforced with welded corners and features an integral handle. Next is one half sized drawer for supplies and below it are two full drawers below for hanging file folders.
- All drawers are supported by pairs of heavy duty, ball bearing drawer slides.
- The Drawer Set Combo Frame can also be ordered alone with different combinations of multiple drawers such as: Three half sized drawers and one full size drawer PN 60037, or with five half sized drawers PN 60038. Multiple drawers can be secured with the optional Multiple Drawer Lock Bar Kit PN 60090.
- The lock bar can be secured with any padlock either keyed or combination type.
- Half size drawer internal dimensions are 10.75"W x 12.55"D x 4.75"H
- Full sized Drawer internal dimensions are 10.75"W x 12.07"D x 9.75"H

Engineering Drawing Reference Notes

To view and manipulate 3D models of any assembly; visit www.edrawingsviewer.com and download the free eDrawings viewer software, then open the eDrawing format files (.EASM) found in our Engineering Drawings folders.

For more product dimensional specifications; download the Engineering Drawings folder for files in DWG, PDF and EASM formats on our website from the tool bar on the individual product pages or from our Product Resources page.

User Manual Reference

Refer to manual 10010701-UM for assembly and installation instructions

User manuals are available for download in PDF format on our website from the tool bar on the individual product pages or from our Product Resources page.
