

**Mounting Bar for Bin Boxes on Shelving Systems 45"W PN 60104**  
**Mounting Bar for Bin Boxes on Shelving Systems 72"W PN# 60105**

### **Product Specifications:**

- Attaches horizontally anywhere between two Vertical Shelving standards above a Work Table, above an Enclosure or across any Shelving System.
- Supports multiple bin boxes that have integral hanging edges along the back of the bin that allows them to be easily attached or removed from the Bin Box Cross Bar.
- Made of heavy 14 gauge steel and has gray enamel finish.
- Supports three sizes of plastic bin boxes (Bin Boxes not included)

### **Engineering Drawing Reference Notes**

To view and manipulate 3D models of any assembly; visit [www.edrawingsviewer.com](http://www.edrawingsviewer.com) and download the free eDrawings viewer software, then open the eDrawing format files (.EASM) found in our Engineering Drawings folders.

For more product dimensional specifications; download the Engineering Drawings folder for files in DWG, PDF and EASM formats on our website from the tool bar on the individual product pages or from our Product Resources page.

### **User Manual Reference**

Refer to manual 10010702-UM for assembly and installation instructions

User manuals are available for download in PDF format on our website from the tool bar on the individual product pages or from our Product Resources page.
