POINT KNOB

5 POINT KNOB
ALLOWS THE TILT HEAD THE
ABILITY TO PAN SIDE TO SIDE

NOTE: 720 tablet adapter plate not shown

General Features

- This assembly supports the MICROS Oracle 720 tablet in landscape orientation with a drop in charging cradle that permits continuous daily installation and removal of the tablet.
- This support solution is part of a full line of mounting brackets for rugged point of sale tablets including mounts for hand held POS and drop in chargers for mobile POS in hospitality environments.
- This system attaches to a wall, shelf edge or other flat vertical surface.
- The angled sides of the mount assist in guiding the tablet into the cradle and provide additional support once the tablet is installed.
- The cut out sections on the sides of the mount provide full access to the battery charging slot in the rear of the cradle.
- Includes a pair of hook and loop straps to secure the power supply transformer and surplus cable to the back of the mount.
- Installing the charging cradle onto the mount can be completed in seconds; first by inserting the cradle and then slightly tightening the rear lock screw.
- If necessary; the power connector can be easily unplugged from the charging cradle without having to remove the cradle from the mount.
- This support system allows adjustable side to side pan position adjustment of the 720 tablet; use the five point knob on the underside of the end of the arm to adjust and secure the tablet pan position.
- This support system allows adjustable side to side of the arm at the mounting plate; use the five point knob on the top of the bracket that attaches the arm to the plate to adjust or secure the arm position.

INSTALLATION DETAIL FOR ALL 505 SERIES MOUNTS WITH A DROP IN CHARGING CRADLE THAT PERMITS CONTINUOUS DAILY INSTALLATION AND REMOVAL OF THE TABLET
