MOUNTING HOLES

General Features

- This printer wall mount can be used as a universal mounting bracket for Point of Sale / POS printers in commercial kitchens, retail, restaurants, offices, industry, shops, medical, maritime, schools, laboratory and many other applications.
- Designed with pre-punched mounting holes along the rear section to allow easy attachment to any wall or other flat vertical surface.
- Supports printers up to 6.5" wide and 10" long and up to 10 lbs.
- When used with most standard-length printers there is usually enough room inside the storage compartment to store the power supply and cords.
- Standard power and data outlets can be installed concealed on the wall within the cut out section of the rear panel of the storage compartment.
- Two detents allow the storage compartment door to be opened, closed and latched without tools or fasteners. Optionally; the included thumbscrews for a more secure closure. Two optional security screws (hardware kit PN 79901) can be installed in place of the thumbscrews for added security. Please request these screws upon ordering.
- For black powder coat finish order; PN 80691- BLK, for silver/ gray finish order PN 80691- CH.
PN 80691-CH
PN 80691-BLK

- The interior dimensions of the printer tray are 10¼" Long by 6½" Wide by 1" Tall

- The interior dimensions of the storage compartment are 10-3/8" Long by 6½" Wide by 5½" Tall

- The dimensions of the cut out section in the rear panel of the storage compartment are 9.4" Long by 4.9" Tall

CABLE
PASSAGE
HOLES

- Two cable passage holes are located on the top of the printer tray to allow power and cable cables to be routed directly down into storage compartment and be completely concealed. Another two cable passage holes are located on the interior bottom panel of the storage compartment to allow access to outlets located adjacent to the assembly.
