ALL PRODUCTS PATENT PENDING

General Features

- This Shelf Edge or Countertop POS printer mount can be used as a universal support system for most Point of Sale / POS systems in commercial kitchens, retail, restaurants, offices, industry, shops, medical, maritime, schools, laboratory and many other applications.
- Whether you call them POS Printer mounts, printer trays or printer mounting brackets; our product lines offer many value added modular features.
- Attaches to the underside of a shelf edge, counter top, desk, work bench or other flat horizontal surface.
- The printer mounting tray is made of stainless steel with a fine brush finish and the Under Counter Mounting Plate is made of 11 gauge steel and has a high gloss silver “chrome” finish that emulates the look of polished stainless steel
- Supports printers up to 6.5” wide by 10” long and up to 10 lbs.
- The tilt angle of the tray is set at 20 degrees to improve access to the paper feed slot on the top of the printer.
- Includes a cable path hole on the rear of the tray bottom for routing the associated cabling to power and data outlets.
- When used with most standard length printers; there is enough room behind the printer to store the power supply and bundle the excess cords.
- Includes cable tie points at both rear corners of the tray.
- The rear corners of the tray are tack welded to provide additional reinforcement and prevent deformation under load.

Mounting Plate Dimensions

Installation instructions

1. Hold the under counter mounting plate flush against the edge of the shelf or countertop to determine the optimum location for your application; mark this location.
2. Hold the under counter mounting plate flush up against the underside of your countertop or shelf and install several appropriate fasteners through the holes in the mounting plate.

This printer mounting system is compatible with the following POS Printers:

Note: interior dimensions of the Printer Tray = 6½" W X 10¼" L X 1" D.

- Anser U2, Brother QL 800, Brother PTP700, Citizen CT-E351, Clover P500, Clover Mini, Custom America CT-E351, Dymo LabelWriter 450, Dymo LabelWriter Wireless, Dymo LabelManager PnP, Epson TM-T88V/VI, Epson TM- T20II, Epson TM - L90, EpsonTM-U220 Type B & D, POS-X Evo HiSpeed, Rollo Printer, Sato FX3-LX, Sato WS2, Square Terminal, Star Micronics mC-Print3.
