PRACTICAL QUALITY SYSTEMS
Fast Custom Manufacturing - Nationwide Installation Services
Note: Wall mount and screen not included

ALL PRODUCTS PATENT PENDING

General Features

- This power supply holder plate installs between the back of most 75 or 100mm VESA compatible monitors, touch computers or touch screens and most 75 or 100mm VESA compatible mounting system to secure a power supply and any associated slack cabling.

- The plate can be oriented horizontally to the left or right side of the VESA mounting screw pattern or vertically as needed for your application.

- This assembly is finished with a durable, black, low gloss, micro wrinkle powder coat that resists fingerprints.

- Includes a 10 inch long length of 2 inch wide of double sided hook and loop strapping. The strap is inserted through the 2" wide slots in the plate and around a power supply and /or bundle of associated cabling to secure them to the plate.

- The mounting plate is made of durable 16 GA steel sheet and can be bent as needed to better conform to the surfaces of your application.

- Although not included, cable ties can be added as needed to further secure the power supply and /or bundle of associated cabling to the plate.

- Includes four M4 X 10mm long VESA mounting screws.
